› ABOUT ME

I am a computer science student, currently enrolled in the **Master of Software and Data Engineering** at **USI** (Lugano, Switzerland), after graduating from the Bachelor of Science in Informatics from the same institute.

I also have a **degree** in **visual design** obtained during a previous study at SSSAA in Lugano.

What I enjoy the most is doing **Front-end Web Development**, **UI/UX Design** and **Audio Production**.

› WORK EXPERIENCE

07/2020 - 05/2021
SiteME
FRONT-END WEB DEVELOPER, UI/UX DESIGNER
PARADISO, SWITZERLAND

I helped this startup by designing, coding and maintaining their websites. I also had to research new technologies and use them in their products.

`HTML` `(S)CSS` `JavaScript` `TypeScript` `React` `GraphQL` `Stripe` `AWS` `Wordpress` `Figma`

09/2019 - 12/2019
Cryms
SOFTWARE DEVELOPER INTERN
LAMONE, SWITZERLAND

During this internship I helped develop both the user interface and the backend of a web application.

`HTML` `CSS` `Java` `MySQL` `Figma`

02/2017 - 05/2017
University of Plymouth
GRAPHIC DESIGNER INTERN
PLYMOUTH, UNITED KINGDOM

I helped the university e-learning team produce posters, various graphic assets, video interviews and 3D demos.

`Adobe Suite` `Reaper` `Maya`

06/2016 - 10/2016
Teleticino
GRAPHIC DESIGNER INTERN
MELIDE, SWITZERLAND

During this 4 months internship, I assisted Teleticino's graphic designer in multiple projects, ranging from creating intros for television broadcast, editing photos and creating graphic assets for marketing and social media.

`Adobe Suite` `Cinema 4D`

> SKILLS AND KNOWLEDGE

Advanced:

`HTML` `(S)CSS` `JavaScript` `TypeScript` `Python` `React` `Figma` `Adobe Suite`

Confident:

`Java` `Git` `Wordpress` `GraphQL` `REST API` `MySQL` `MongoDB` `Firebase`

> LANGUAGES

Italian: Mother tongue
English: C1
German: B1
French: A2

> OTHER INTERESTS

When I'm not either programming or designing, I like playing **videogames**, playing **guitar** and producing **music**.
